Dear Miss Tarbell:

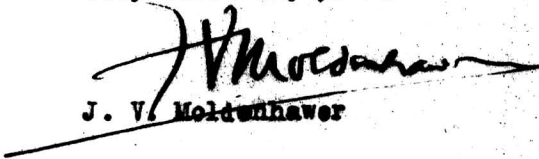

The Abraham Lincoln Association were so good as to permit me to print my Lincoln Address of last February 12 in our Church Tower.

The pleasant visit Maitland Bartlett and I had with you several months ago remains very clear in my remembrance and I continue to feel grateful for your kindness. I am so sure of your interest that I am sending you herewith a copy of the current Tower containing the address.

In every company where I was present during my Springfield visit your name was mentioned with affection and admiration.

With best wishes

Very sincerely yours

J. V. Moldenhawer
