Dear Miss Tarbell:

Since writing the other letter, your secretary has telephoned.

THE AMERICAN WOMAN TAKES AN INVENTORY IS with The American. It has been offered to the following magazines: Ladies' Home Journal, Good Housekeeping, McCall's, Woman's Home Companion and the Saturday Evening Post. I am enclosing a letter from Miss Neall about this article.

THE MAKING OF AN ASSASSIN has been offered to the following magazines: Saturday Evening Post, Collier's, Woman's Home Companion, Cosmopolitan and twice to Atlantic Monthly.

Yours sincerely,

*Paul R. Reynolds.*  
*I think Harper should like the "Assassin", and The American Woman should go somewhere because its an interesting article.*
