

December 9, 1932

Mr. T. H. Cuming  
1012 Putnam Avenue  
Plainfield, N. J.

Dear Mr. Cuming:

Miss Tarbell has received your letter of November 25th, regarding a letter you wrote her some time ago. She wishes me to say that as far as she knows she never received a letter from you. I am sure you would have had a reply if she had. She is always greatly interested in matters concerning Lincoln.

Miss Tarbell would like very much to know just what material you refer to.

Yours very truly

*Thelma Wolfe*  
Secretary to Miss Tarbell

→ I only return  
this letter, so that your  
Secy may recall the  
situation involved.
