

November 14, 1932

Mr. H. H. Cleveland
Department of Public Works and Buildings
Springfield, Illinois

Dear Mr. Cleveland:

Miss Tarbell regrets that it is impossible for her to be at the laying of the corner stone of the foundation of the Lincoln-Berry Stone, on November 17th. She appreciates the invitation and wishes to send congratulations for this undertaking, which she feels should be the most interesting of the Lincoln monuments.

Yours very truly

Secretary to Miss Tarbell
