My dear him Tarbell

Your letter came just as I go on
town for a few days. I am sure I can

give you some material in about a week.

I suggest you address the same inquiry to

Robert B. Wolf, 1620 23rd St., Longwood,

Washington. Also to him Florence M. Thomas,

Case A F J L 9th Massachusetts Ave.,

Washington, D.C. I can give you some

very grateful Evadne - Jackson the wife to
all you want.

Evadne & I are delighted to hear
from you. We were just very far away
from you. But we may get together soon.

Yours very sincerely,

M. L. Boone.
