Dear Miss Tarbell

I have your letter of November 13th together with the transcripts of the Lincoln letters which you received from Gilbert Tracey.

Of the entire lot I have but the Sargent and the Cochrane items, and of course the one item out of Markens, but the other thirteen I need and I certainly thank you for them.

At my earliest opportunity I will begin to collect photostats of Lincoln letters which will certainly interest you and which I will forward to you the moment I have them collected.

Cordially yours
