THE PLAZA  
NEW YORK

*Answer pls*

Dear Miss Tarball:

Please do not  
bother to answer this.

<sup>clipping</sup>  
It was printed in a  
paper at Freeport,  
Illinois, at the time  
of the statue being erected  
last year. I knew the  
Grandson family - one  
was a school teacher of  
mine, and others were

Schoolmates, sister and  
nieces of this Mrs. Lighthart.  
They all lived in Freeport.  
May do for your collection!

In haste —  
affly —  
Caroline Harding.

Am trying to clear off my  
desk - almost hopeless job!!
