December seventeenth,

1 9 2 4

Dear Miss Tarbell:

I am now collecting material for our announcement. It is not to be a public announcement, of course, for some time, but we need it for agents working for subscriptions. I want to get up a statement announcing your work. Will you tell me your plans for the next two weeks?

Faithfully yours,

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.
