My dear Mr. Bander:

I have your letter giving me the subject of the thesis you are writing for your Master's degree at Cornell. Well worth while I think.

Of course I shall be pleased to have you use any part of my book on Mr. Young which you think will serve your purpose. In case that you want to use extended extracts it will be necessary to recognize the publisher as well as the author in the credit.

If your thesis is published I shall be interested to see it.

With best wishes for your success,
believe me,

Very truly yours,
