

June 11, 1925

Dear Rutger:

You ask for the outline of the last four Chapters of the Gary. Here it is:

I go West on Friday for my College Commencement - shall be here Monday and Tuesday and can see you either at lunch or tea on either day if you will let me know.

You ask when I shall deliver the last of the manuscript. I hope it will be some time in September but I won't swear to it.

Faithfully yours,
