Dear Miss Tarbell:

Dr. Whitney is away for a very greatly needed rest. He will probably be back from Nassau by the 4th of March. If I do not hear from you, I shall assume that you will not be too much inconvenienced if his approval of the material which accompanied your letter to him of February 6th is withheld until that time.

I remember with so much pleasure the few minutes of you that I was able to have as my own when you were here.

Yours very truly,

Mary Christie
