Miss Daisy Rogers  
3 Sutton Place  
New York City

Dear Miss Rogers:

Your note to Miss Tarbell saying that Miss Partridge would immediately take up with Miss Perkins the change in date for the Award dinner has been received. Miss Tarbell is out of town for ten days. I shall be glad to call her attention to your note when she returns, although if there is any action for her to take between now and then I shall be glad to let her know.

Yours very truly

Secretary to Miss Tarbell
