Miss. Ida Tarbell,

New York City.

Dear Miss. Tarbell:-

I have just received your
address from Ruth Raphael of

Harper & Brothers, and now want to thank
you for the copy of your book, "In the
Footsteps Of the Lincolns" It is very
interesting and in it are many incidents
and history of his life that I had not
known although I have been collecting
and reading Lincoln literature for sixty
three years.

Sincerely,

O. H. Oldroyd
