Dear Miss Tarbell.-

Am now mailing you the work which has just been finished. Hope it will be satisfactory. The total expense will be twelve dollars. Am also sending you a copy of a letter written to a party at Rockport Ind concerning the sexton book which belonged to Abraham Lincoln. You will find it in with the manuscript. Thought

it might interest you. All we could find in the record book is contained in what I am sending you.

Very Respectfully
Lewis Varner
