Miss Ida M. Tarbell,
Titusville, Pa.

My dear Miss Tarbell:-

The purchase of the Doubleday stock took place yesterday and we are now ready to fill orders. I enclose you a copy of their bill in order that you may be acquainted with every detail up to the beginning of our own complete relations with you.

I sincerely hope and believe that the business relations between us will be of the most profitable kind to both as I am sure they will be of the pleasantest.

Sincerely yours,

RSY/R.

Robert Yard
