Dear Madam:

Referring to your interest in the Civil War and Abraham Lincoln, we ask your attention to a volume containing considerable material thereon. In Pleasant's "Crawford County History" much reliable information is to be found regarding the conditions preceding the Civil War; Abraham Lincoln, and the attitude toward him in Indiana; conditions succeeding the Civil War, the activities of the County in the Civil War; Hine's raid and Morgan's raid, etc.

If not already in your collection, and of interest, we will appreciate the favor of your order.

Respectfully yours,

THE ARTHUR H. CLARK COMPANY
