February 24th, 1928.

My dear Miss Tarbell:-

I am in receipt of your favor of February 23rd and am looking forward with much pleasure to a call from you when we will talk over my suggestion.

Thank you for calling to my attention the Lincoln letter in the New York Times of February 10th or 12th. I will look it up.

My experience leads me to hope that the owner will be willing to sell the letter in question.

Yours very truly,

Ernest Dressel North
