New York, N.Y.

My dear Miss Tarbell:

We have been asked to submit to a radio sponsor for a program of very high standards to be broadcast nationally from New York the names of fifty women who are leaders in American affairs and we have taken the liberty of submitting yours. Will you tell us whether you could consider such an assignment - to speak for about 4 minutes on any topic of your choice - and what fee you would require and what time of year you would prefer?

Cordially,

CLARK H. GETTS, INC.
