MISS IDA M. TARBELL,
120 East 19th Street,
New York City.

Dear Miss Tarbell:

Your letter of July 7th has been received by me today on my return to New York.

Yes, Mr. Young had a very great deal to do with the Business Cycle and Unemployment Report as a result of the Harding Unemployment Conference. The very best person for you to see is Miss Mary Van Kleeck, who was a member of the Committee and who, with what meager assistance I could give her, practically wrote the report for the Committee. She, as you know, is head of a Department of the Russell Sage Foundation here in New York. I would advise you to get hold of her promptly, because I believe she is sailing very shortly for Europe.

I am looking forward to the American Magazine article, but it makes me feel weak to think of what you want to do. Please give me an option on that until after I see it.

Hastily but most sincerely,

Stuart M. Crocker
