Dear Miss Tarbell:

Your letter in regard to the Foreign Language Information Service appealed to us strongly, and I wish we felt that we could respond with a substantial subscription to its worthy purposes. Demands upon us however from every side in these difficult days are so great that it is impossible for us to add to our existing commitments at the present time. This we regret very much indeed-- but I do wish you success in furthering the objectives of this fine cause.

With best New Year's greetings,
believe me,

Sincerely yours,
