

120 BROADWAY NEW YORK
ROOM 2555

May 17, 1933.

Dear Miss Tarbell:

I understand from our Washington office that the Insull hearings have not yet been printed and that at the Government Printing Office they do not know when they will come through. However, when they are ready copies will be sent us and I shall see that you get one.

Faithfully yours,

George W. H. Rindge
