Dear Miss Tarbell,

We received this morning a communication from Mr. Stephens to the effect that you had waited for us on Saturday at the Arts Club. We are deeply regretful to realize that thru our misunderstanding you were so inconvenienced. Possibly due to the fact that the telephone connection was not very good, we had understood that we were to call at your home.

We also received, last night, a copy of letter you wrote to Mr. Dodge. It is a fine letter, and in behalf of the New College student-faculty body, we want to express our very great appreciation of your effort. Respecting your wish not to be any further burdened by the New College cause, we withdraw our request for an interview. We are happy to feel we have your moral support.

If at any time in the future we feel your advice would be indispensable, may we communicate with you again?

Sincerely yours,

Dorothy Davega
