F. Edith O'Dell
Assistant Treasurer

November 23, 1923.

Dear Miss Tarbell,

Miss O'Dell has requested me to prepare and send you a statement of your account. This is being sent to you herewith, and as you will note, no money is due you, but we expect that within the very near future we will receive payments which will throw the account in your favor.

I tried to get you on the telephone this afternoon, but got no answer. The thing I wanted to tell you over the telephone is that should you want us to give you, say, \$100. on account we shall be glad to do so. Therefore, please call me on the telephone Saturday morning and tell me just how you feel about this.

Yours very truly,

Geo. J. Jarvis
Business Manager.
