My dear Miss Tarbell:-

I wish to thank you for your "Owen D. Young" which I have recently read with intense interest and encouragement. Doubtless you have seen the review of it in the London Times Literary Supplement of September 4. That review confirms my opinion of the importance of your book and ^{of} the sanity and foresight with which you have treated Mr. Young's character and career. Such books and such men give good hope for the future.

Mrs. Robinson and I remember with pleasure our visit with you when you were beginning this task.

Sincerely yours,

Nelson L. Robinson
