Dear Mr. Blossom:

I think I shall have to call it
a day and quit!

I have "fattened up" as you
suggested the article you made out of my manuscript -
which with all due respect, dear Mr. Blossom, I
consider a pretty good article for me!

I should have been glad to have
talked this over with you but was held in the
country by illness and wanted to get it off my
hands.

With best wishes for a Happy New
Year to you and your associates, believe me

Very sincerely yours

Mr. Sumner Blossom
