Dear J. S. P.

I want to write just a line to tell you how delighted I am with Bert's book. It is just the kind of a book he should have had and we owe it to you. I have some idea of how hard you have worked to make it the book that we will love. My gratitude to you is very deep. To you it was I know a satisfaction to be able to do this, but you should know how near it has brought you to all of us,--this bringing him again so near.
