DEPARTMENT OF AMERICAN HISTORY  
JOHN B. MACHARG, PH. D.

9 Dec. 1930

My dear Miss Tarbell :

I do thank you most sincerely and truly for the book you have sent me. I shall treasure it and its inscription as long as I treasure anything. It seems to me that the book is exceedingly well done both in the matter of selection and supplementary matter. It is a convenient book to slip in my pocket ; it makes easy that which Lincoln students need most, I think, - frequent and much reading of his own words.

A card received yesterday from A.H.Griffiths of Fisk, Wis., tells me that he has just picked up a copy of Whitney's On the Circuit. I hope to get it for our library if not for myself .

My work goes forward though slowly. When it is nearer completion, I hope to come to you for a little help and advice.

Thank you again, and with every good wish

Cordially yours

Miss Ida M. Tarbell
