Mr. A. O. Barton
The Lincoln-Douglas Society
Freeport, Ill.

My dear Mr. Barton:

Thank you very much for your kindness in sending me the material on the Lincoln-Douglas Freeport celebration.

I am not quite satisfied with the photograph of Mr. Crunelle's "Lincoln" - that is, for framing. When I am next in Chicago, I shall try to see Mr. Crunelle and see if I cannot get exactly what I want.

With many thanks for your kindness,
believe me

Sincerely yours
