

Manly on p. at Canton

Hard pulling 2 days in <sup>strain</sup> duress. Meely  
Late at night - 2 found him smoking  
in lobby of hotel - "Tried out eleven"  
My wife became tipsy w. c. all way  
back then - not stopping <sup>work</sup> me out  
changing it -

Always remember a request,  
when kept - then tell say  
I. the want of minute while  
your case - I always get it -  
no matter how much for him to  
remember & see to it

Always take about common things  
with boys - want to help, work  
know how many

Madness that Earl & Baker  
may have done for him B  
short when last came to C. He had  
in jail
