August 5th, 1926.

Miss Sarah A. Tarbell,
R. F. D. No. 3,
Bethel, Conn.

My dear Miss Tarbell:

I desire to acknowledge receipt of yours of the 3rd inst. in which you state that a general power of attorney from your sister to yourself has arrived. Inasmuch as this bears date July 20th, 1926, of course it provides the necessary authority for the contract made by you in behalf of your sister with the Shuberts, an original copy of which I recently sent you and which is doubtlessly now in your hands.

I note that you have certain instructions from your sister in regard to a play version of "He Knew Lincoln". As requested, in the event that any proposal is received in reference to the play, I will give you timely intimation thereof.

It has been frightfully warm in New York during the entire week. However, we have hitherto this season been treated so lightly in this respect that I suppose we should accept the situation with equanimity. At least, I am trying to do so.

Yours sincerely,

HHG:ES
