

GENERAL ELECTRIC COMPANY  
120 BROADWAY, NEW YORK

OFFICE OF THE  
CHAIRMAN OF THE BOARD

February 16, 1932

My dear Miss Tarbell:

Do you not think that it would mean a great deal to Mrs. Young to have her picture included in your book? This is so much my own idea that no copy of this letter is being retained in my office, and I wish that you would destroy this original as soon as it is read.

Sincerely,

*Arthur Chandler*

Miss Ida M. Tarbell,
