Dear Miss Tarbell.

Could you  
arrange to come out and  
have dinner with us on  
Sunday September sixth?  
Our dinner hour is one thirty  
and if you would take a  
train that leaves Grand  
Central station at 11:35  
daylight saving time you  
would arrive at 12:25.

We are expecting a new  
baby along in October, and we  
want very much to have you  
come before that busy time comes.

Sincerely -  
Marie Salo
