Miss Ida M. Tarbell,  
Bethel, Connecticut.

My dear Miss Tarbell:

I have taken up your suggestion of \$200.00 for the radio appearance on the Heins "Magazine of the Air" but am unable to raise the ante over \$100.00.

I do wish that you would reconsider this - for we want you so very much for an early October date, if that is convenient for you. (We could make it later, however.) And we will be only too glad to do anything within our power to make it easier for you.

The script need be only 500 words - and on something very close to your heart, so it should not be too difficult to prepare. Perhaps you would jot down two or three suggestions for topics and let the Heins people choose one. They like to feel they have this little part in planning the program.

We all know that you are worth infinitely more than \$100.00 and Mr. Getts and I will both try to make it up to you in other ways. Perhaps we could plan some lectures for you during the coming season in Universities or Woman's Clubs, that would be both pleasant and remunerative.

I do wish you would wire me your acceptance "collect" and I shall look forward to meeting and talking with you when you are going to be in New York. I feel sure that we can work things out happily together.

Cordially,

Dorothy Worthington
