

December 18, 1939

Dear Mr. Battle:

Thank you very much for sending me a photographic reproduction of the plaque presented to Mrs. Roosevelt at the Churchman's dinner in her honor. It is a deserved tribute. I was very sorry that I could not be present, but I have been obliged to cut out evening dinners.

Thank you, too, for calling my attention to the Churchman's Goodwill League.

With best wishes for a happy holiday, believe me

Very truly yours

*Very truly yours*
