Dear Ida:

Thank you for your frank  
kindness of yesterday afternoon.

I wish, in order to refresh  
your memory, that you would read my  
letter to you of June 12th, with its  
enclosed memorandum, and also your  
reply of June 18th.

The final contracts were  
based upon the terms as arranged in our  
preliminary discussion and correspondence.  
At the time, I know, they seemed equitable  
to both you and to the House.

I have written McClure asking  
for proofs of the third installment.

Yours faithfully,

Miss Ida Tarbell
