Mrs. C. C. Sniffen,  
422 The Ontario,  
Washington, D.C.

My dear Mrs. Sniffen:

Thank you for your note of  
October 17, with the memoranda which you enclose. I am glad  
to keep them among my notes.

Yes, I realize that "Proving that Lincoln was  
Responsible for the War" was written by H. W. Johnstone. I am  
itching to get at the subject, but I don't know when it is going  
to be.

Thanking you again for your kindness, believe me

Sincerely yours,
