

W. G. Gumm

January 10, 1931

My dear Mr. Lidyard:

I have your letter of January 5th and am referring it to the lawyer who has always handled, "He Knew Lincoln" - Mr. Gumm of Goldie & Gumm, New York City. Until he gives up his interest in the broadcasting of the piece I have no authority, other than that of consenting to his arrangements. I am sure he will write you.

Appreciating your interest in the story, believe me

Very sincerely yours

Mr. Deway Lidyard
