

October 19, 1938

Mr. Hugh MacRae
Wilmington, N. C.

Dear Mr. MacRae:

Miss Tarbell was out of town when your letter of October third reached her desk. Since her return she has been very busy with a pressing piece of work and unable to take care of her correspondence. She wishes me to say that she will soon have some free time to digest your letter with enclosure.

Yours very truly

Secretary to Miss Tarbell
