

730 HUDSON AVENUE  
PEEKSKILL, N.Y.

June 8, 1939.

My dear Mrs. Wolfe,

I find I will not be in the City to-morrow, as I expected. So I will mail the book to you under separate cover and when Miss Tarbell returns she can autograph it and you can return it to me at your convenience. I enclose postage and you can use the same cover I sent it in. It will be addressed to me on the inside.

With appreciation of your courtesy and that of Miss Tarbell,

I remain,

Sincerely,

*Chester A. Smith*

x I will put the postage on the inside of the leaf addressed cover. I find I have not any more stamps here.
