My dear Miss Wolfe:

I want you to tell Miss Tarbell that she is not to trouble herself about writing to me. I know just how busy she must be, for I am in the same class. However, after she has read the biography, I should like to hear from her.

Did she receive the biography I sent? *As well as the booklets.*

Yours cordially,

*Suea Young Gals*

*I am organizing biography classes -*

*Biography + pamphlets a/c.*
