

THE EMPORIA GAZETTE

Sept. 29, 1924

Dear Ider M :

Thank you for your kind words, I have just come in from the campaign. Sallie, Bill and I drove six hundred miles in the old Dodge car, making fifteen speeches in ten days, and talking to fifteen thousand people.

We pull out tomorrow morning at nine o'clock to be gone two weeks, so that's that.

Thanks for your kind words. As far as being elected that is in the lap of the Gods, and I dont care what happens. If you are out this way, you might make a few speeches for me.

Sallie sends her love.

Sincerely yours,

W. A. W.
