Mr. George C. Crawford  
Jones, McLaughlin Company  
Pittsburgh, Pa.

Dear Mr. Crawford:

I wonder if you would be willing to talk with me some day soon, when I can get over to Pittsburgh? I have been wanting to know how things are going with you personally since you left Birmingham, and also wanting to know what you have to say on industrial matters. I am sure a little talk with you would clear my mind.

There is a possibility of my being in Meadville, Pa. for Commencement at Allegheny College where I am a trustee. If so, I could get down to Pittsburgh some day the second week in June. Could you and would you arrange to see me any day of that week after Tuesday?

Trusting I am not imposing upon your many kindnesses to me in the past, believe me dear Mr. Crawford

Very sincerely yours
