Miss Ida M. Tarbell, Author & Editor.
Bethel. Conn.

Dear Miss Tarbell:

Under separate cover I am sending you a couple of leaflets which will tell you about this institution. We are trying to build an American Library and we already have quite a lot of material. The American Minister to Denmark, Mrs. Bryan Owen, was quite impressed when she recently visited us and saw how far we had gone since her last visit in 1931. Mrs. Owen brought us some wonderful works on American History.

We have your "The Life and Abram. Lincoln" and should like to have a copy of all your works if possible. Just now our funds are almost nil so we have to try to make as many as possible interested in our venture. If you have friends who have book-collections we should be happy if you could induce them to donate us some books.

All books pertaining to American History, to economic and industrial conditions, biographical, descriptive and illustrated works will be of great value to our American Library.

I am an American citizen myself.

Any box, package, etc. sent to our address, c/o. The Scandinavian-American Line, Hoboken. N.J. will be for warded to us without further costs.

Hoping to hear from you and thanking you in advance for whatever you can and will do for us, we are

sincerely yours
The Dan-America Archives.
