Dear Miss Davega:

I have your note withdrawing your request for an interview Friday. Accordingly I shall not expect you at the National Arts Club tomorrow at two thirty.

As I feel sure I can be of no use to you in your problem, and as I am much pressed for time I shall be glad to cancel the engagement.

You understand, of course, dear Miss Davega, that my letter to Mr. Dodge is private and personal, not to be used in any form of publicity. That I think Mr. Stephens understood.

Very sincerely yours
