

January 12, 1931

Dear Miss Russell:

Thank you for the information you are sending me from your files about Mr. Young's family. It gives me the start I wanted and I find the Southworth letter particularly suggestive.

I received the references that you mailed Friday. Thank you so much for your prompt attention to my wishes. I shall be down soon to have a talk with you.

Sincerely yours

Miss Helen B. Russell  
120 Broadway  
New York City
