

June R. 1855 III

Like men mistake in the material & details of
she the she said and the my multitude - the effort
is understood - unhelpful. Political - make co-oper-
tion - which had enabled me to be a person in
things - she she had not had for the reason she
knew they would accept as a proof. These
when they quarrelled - dejected she became a
more typical - but she did - came to the
realization of the understanding of men in
great masses that - kept to be seen - but
natural efforts at adjustment - she was
a mechanic & kept to be seen by face
of what she considered political opinions.
