Dear Mr. Griffith:

I am sorry it is quite out of the question for me to think of buying your Civil War and Lincoln collection. No doubt it is a very useful collection. I have known of your interest in Lincoln for some time, but it is quite impossible for me to help you out.

I think if you would apply to Dr. Louis Warren of the Lincoln National Life Foundation at Fort Wayne, Indiana, you might find a purchaser.

Regretting that I cannot consider your offer, believe me

Very sincerely yours

Mr. Albert H. Griffith
