My dear Miss Tarbell:

At ten-thirty o'clock on Wednesday, January twenty-seventh, the Hunter College Commencement Exercises will be held in Carnegie Hall, Seventh Avenue and 57th Street. The President of the Senior Class, the President of Student Council, and the Dean of the College join with the President of the College, your humble servant, in inviting you to honor Hunter College with your presence on this occasion and to make the baccalaureate address. Some four hundred and ninety-two girls will receive degrees.

Professor Chase tells me that you have indicated your willingness to do us this service.

The Dean will send you details as to the time and place of gathering for the procession.

Sincerely yours,

Eugene A. Colligan
President
