

October 4, 1937

My dear Mrs. Large:

I just received a note from Mrs. Augusta B. Fothergill of Richmond, Virginia, telling me that you have had copies made of the invitation to the last Lincoln Ball and that you had told her you would be glad to let me have one for my Lincoln collection.

Thank you in advance. I should very much like it and I can assure you it will be properly cared for. I appreciate your courtesy.

Very truly yours

Mrs. Dudley A. Large
