Miss Ida M. Tarbell,
120 East 19th St.,
New York City.

Dear Miss Tarbell:

I have read your book on President Lincoln and wonder if you might be interested in any of the following books which I found in the home of a Civil War veteran which I purchased last month.

I shall describe them briefly herewith and if you would be interested in them would be glad to send them to you on approval.

Respectfully yours,
